FOUNDED JUNE 17, 1961 - ST. ALBERT'S 100 ANNIVERSARY

ST. ALBERT A.T.A.

The St. Albert Local A.T.A. held their Induction ceremony on Friday, September 24th at Club Procombo. It was a successful evening with practically all the teachers, teaching in one of the St. Albert schools, in attendance. The St. Albert A.T.A., Local 66, is now a pure St. Albert unit and is no longer affiliated with the teachers organization in the Sturgeon Municipality. After the

Induction ceremonies, everybody enjoyed the dance and a delicious midnight supper. The new executive elected for 1965-66 are: President - Mr. Stan Datzell. Vice-President - Mr. Gordon Miller. Past President - Mr. Robert Chaput, Secretary-Treasurer - Mr. Rod Thronson. Inductees to the Local A.T.A. were: Mr. Ross Johnston, Carmen Tellier, and Mr. Harold Hayter from St. Albert High School. Dale Chandler from Sir Alexander

Mackenzie School. Loretta Schaap from Vital Grandin. Enid Repp, Judith Burton and Susan Johnson from Leo Nickerson. Robert Fairbairn, Larry Kryponiuk and Geraldine Sillito from Paul Kane High School. Diljeet Dhat, Sharon Gibb, and Carl Wyman from Sir George Simpson Junior High School. Arlene Johnson and Dorothy Veckert from Sir George Simpson Elementary School. The picture shows the executive and some of the Inductees.

ATTENTION! REGISTRATION!

Tonight is the night that you can register for your family recreational activities during the season 1965-66. We are proud that our Recreation Department and the different clubs have set up such a tremendous recreation program with so

many activities. Year after year we have waited and complained that we needed organized recreation in our Town. Now we have it, let's make use of it and register tonight at the Clubhouse on Grenfell Avenue from 4:30 to 9 P.M. The following list will show you the different activities for which you may register.

Donald F. MacEachern

To the proprietary electors of St. Albert.

I am 34 years old, married, have two children. We have lived in St. Albert since Aug. 1953.

I was born near Charlottetown, P.E.I., where I attended public school in a farming community. I completed my high school at Horton Academy in Wolfville, N.S. and then attended Acadia University also at Wolfville. I held a commission in the Canadian Army before moving to Edmonton in 1952. My business career in Edmonton was with a large automotive parts wholesale firm as sales representative until 1957. I then joined a national retail and mail order organization and held the position of Department Manager over various departments until I was promoted to Merchandise Manager in 1962, a position I still hold.

I am presently a member of the Alumni of Acadia University, a member of the Edmonton Chamber of Commerce, on the Group Committee of the 2nd St. Albert Boy Scouts and Cub packs, on the executive of St. Albert Carling Club, a member of I.O.O.F. and a member of the United Church.

I have always held a keen interest in Municipal government and I feel that with my many varied business experiences and associations that I can contribute immensely to the practical administrative duties of the Town Council of St. Albert, as your elected councillor. I hereby request your full support now and on Election day, Oct. 13.

Albert A. Vanoni

One of the four candidates for the position of Councillor is Albert Arthur Vanoni.

Mr. Vanoni, his wife Joy, and their four children have resided in St. Albert since 1950.

Mr. Vanoni was born in Leduc, Alberta, better known as the Coal Branch, in the year 1931 and moved to Edmonton with his parents in 1944. He then attended St. Patrick's and Sacred Heart Elementary Schools and subsequently St. Joseph's High School, where he was Editor of the school newspaper, The Beg Hi-Lives; and Associate Editor of the Year Book; Manager of the School Cadets; Representative on Student Council and President of the Degree Club.

During this period Al was very active in the Edmonton Teen Club activities and was an executive member of the Y. Edmonton Teen Club and founded the newspaper, "The Edmon Teeners", operating under the auspices of the Edmonton Y.M.C.A.

From High School, Mr. Vanoni began his working days with the Federal Government, Department of National Health and Welfare, Treasury Branch.

After two years service he resigned his post to further his education at a College in California, "City College of San Francisco," where he majored in Journalism and Business Administration.

Upon his return to Edmonton he launched his career in the Financial field, by spending the next three years with a consumer finance co., he then joined the staff of a National Collection Agency at their Edmonton Branch remaining there for the next 2 1/2 years before starting up the Co. he is now employed with, as its General Manager for the last four and one half years.

Recently he was elected President and Chairman of the Board of Directors of the same Co.

Mr. Vanoni has always been greatly interested in the progress and betterment of St. Albert, and as far back as 1953, when the Town was in the planning stage, made the statement "St. Albert will one day be an ideal community in which to raise a family." He intends to do everything in his power to make it that type of a community, and states "IF WE PUT OUR MINDS TO IT, WE CAN DO IT."

Council Meeting, September 27, 1961

Report: Sports Building Complex - Coun-
cillor Parkes presented to Council a re-
port regarding a meeting of last week,
sponsored by the Chamber of Commerce in
regards to the setup of the Sports Build-
ing Complex in St. Albert. In his re-
port he stated: "The main topic discus-
sed was ways and means of financing the
erection of a covered rink in St. Albert
if possible as part of the projected
Sports Complex. The chief speaker was
Mr. Adam Kibsey of South Edmonton. His
main theme being the necessity of all
service clubs combining in a fund rais-
ing drive. However, his description of
the trials, tribulations and set-backs
in attempting to interest people in the
project's financial side was a sobering
influence. Their sights were set at
\$15,000 and thought it would be easy
at \$10.00 per business. All businesses
on the South Side were personally can-
vassed, raising only a total of \$5,000.
To cut a long story short, on reaching
the goal of \$150,000, the estimated cost
of the rink turned out to be \$225,000
instead of the \$15,000 budgeted. The
difference apparently being the addi-
tions required by the City of Edmonton's
building code. The City apparently ends
up the difference with a grant and the

South Side Rink became a fact. In sum-
marizing, three basic facts require
careful investigation: 1) A suitable
estimate based on local building codes
be drawn up. 2) Such a large sum of
money would require the cooperation of
all service and recreation clubs, with
possibly a large portion coming from

Town Funds. 3) A target must be set
without necessarily studying the time
factor, and once started strong deter-
mination by all participants should lead
to successful completion."

PUBLIC NOTICE

THE TOWN OF ST. ALBERT

BY-LAW NO. 34/65: A By-law to provide for the payment of an annual salary to the Mayor of the Town of St. Albert.

WHEREAS, the Council of the Town of St. Albert deems it expedient to provide better administration for the Town and such additional leadership and supervision as may be directed by Council from time to time; AND WHEREAS, in order to provide better administration, the Council deems it necessary that the Mayor shall provide additional assistance to the present administration of the Town in the performance of his duties as Mayor; and which, without restricting the generality of the foregoing shall be to:

- cause the laws governing the Town to be duly executed;
- inspect the conduct of all Town officers;
- cause all negligence, carelessness and violation of duty to be duly prosecuted and punished so far as it is in his power to do so, and,
- communicate from time to time to the Council all such information and recommend such measures as may tend to the betterment of the finances, health, security, cleanliness, comfort, ornamentation and prosperity of the Town;

AND WHEREAS, the Council considers that the Mayor will be required to spend additional time in order to provide additional leadership and supervision;

AND WHEREAS, the Council considers it necessary that the Mayor be absent from his permanent employment for certain periods of time as it is deemed necessary, and that the Mayor receive remuneration to compensate for the time absent from his employment;

NOW THEREFORE, by virtue of the power conferred upon it by Section 61 (1) of the Town and Village Act, R.S.A.

1955, as amended, the Council of the Town of St. Albert duly assembled, hereby enacts as follows:

- THAT an annual salary in the sum of Six Thousand Dollars (\$6,000.00) be paid to the Mayor.
 - THAT travelling or other expenses incurred in the carrying out of the duties of this office in respect to matters pertaining to or affecting the interests of the Town as may be authorized or approved by Council shall be paid to the Mayor.
 - THAT before the final passing of this by-law, the same shall be submitted to the vote of the proprietary electors and shall take effect only after it is approved by at least two-thirds of the electors voting thereon.
- READ for a first time this 13th day of September, A.D. 1965.

"Richard E. Fowler"
Mayor

"Lloyd Wheatley"
Secretary-Treasurer

This by-law requires the two-thirds majority vote of the Proprietary Electors to be taken on October 13th, 1965, between the hours of 10:00 a.m. and 8:00 p.m., at the Polling places as shown on the plan of Electoral Divisions as approved and adopted by Council on March 9, 1965, and at the Advance Poll to be held on October 6, 1965, between the hours of 5:00 p.m. and 8:00 p.m., and on October 9, 1965, between the hours of 1:00 p.m. and 5:00 p.m., in the Council Chambers of the Town Hall.

AND, that I shall, in the Council Chambers of the Town Hall, on the 14th day of October, 1965, at Twelve o'clock noon, sum up the votes for and against the by-law and declare the result.

The above is a true synopsis of the proposed By-Law that has been introduced and that will be finally passed by the Council within four weeks from the assent of the Proprietary Elector thereto.

Dated at St. Albert this 21st day of September, 1965.

G.P. MOORE
Returning Officer

needed for this project. The site that Council has in mind involves three land exchanges, which will take quite a long time. A Special Committee of Council will look into this matter as soon as possible.

Grant to Kinsmen Club - Council decided to give a grant to the Kinsmen Club of St. Albert of \$3,500. This is by far not enough to cover the cost of the two rained-out rodeo days. Nevertheless, Council had a moral obligation to the Kinsmen Club which resulted in this grant.

Relationship Between Councillors and Town Employees - Councillor Parkes was wondering if Councillors were allowed to deal directly with Town Employees with regard to Town Policies. He read a resolution of the Town Council, brought forward in 1963 in which Council expressed refusal of Councillors to interfere in Town Policies with Town Employees. Councillor Parkes said that there are indications that this happens at the moment. Mayor Fowler suggested to bring up this matter after the new Council is sworn in which was agreed on by Council.

Unsanitary Premises - Councillor Wheatley was wondering if something could be done to prevent the Town of unsanitary premises. Mayor and Councillors were not sure of what standard to set for what should be considered unsanitary or not. Council decided that Mr. Wheatley will contact the Town staff to inform them regarding the premises which are in his eyes unsanitary and to hear the opinion of the Staff.

FIRE PREVENTION!

Fire Prevention Week - October 3rd to October 9th

This marks the end of one year of fire prevention and the start of another. In the past year our fire losses are down better than 50% from the previous year, which is an indication that everyone is doing their part. Hearing of lives lost by fire and large fire loss to property in our neighbouring cities and towns makes a person think, and only with your help can we avoid such tragedies in our town. Directly or indirectly in most cases where there is a life lost from fire, the cause has been someone's carelessness. Our appeal to you is to practice fire prevention in home, business and industry. This is the only way that we can succeed in keeping the fire losses down in our Community. The Fire Department is willing and ready to help you with any fire prevention problems that you may have, and all you have to do is call us at 599-7721. This is the time to check your heating systems, and to clean up the extra rubbish that accumulates through the summer months so as to be ready and safe for the cold weather season that is just ahead. Fire drills in homes should be planned and practiced. Knowing what to do to escape in case of fire is of major importance which every

family should know. With this in mind, let's all get behind the year-round fire prevention and avoid the unnecessary fire loss or loss of life from fire. Don't give fire a place to start. In case of fire call 599-7777.

PROTESTANT SCHOOL BOARD

Protestant School Board News - Thursday September 23rd Meeting: Present were Dr. Cuts, Ron Harvey, Roy Usher, Geo. Walker and Robert Russell.

Community Use of School Facilities - The Board decided to continue and expand its policy of the use of School buildings for non-school use. However, the question of the use of hose rooms came under a great deal of discussion. The Superintendent recommended that hose rooms be excluded from the use of outside groups because of the problems the teachers were having with missing material. Mr. Walker asked the Superintendent to take the matter up with the principals and come back with a report before the Board makes a final decision.

Political Meetings will be allowed in School buildings. This was agreed to after Mr. Russell objected to their exclusion. He said that other districts

rent space to political parties and as long as they have their membership open to the public they should not be excluded.

Rental Rates Changed - The Board decided to allow free use of school facilities for Scouts, Cubs, Guides, Seniors, YMCA Hercules and Youth Groups sponsored by the Recreation Department. Actual cost of caretaker service will be charged when necessary.

Adult Groups will pay \$5.00 per 3 hour session for the gym plus actual cost of caretaker service.

Rental to Church Groups came under a great deal of discussion. Trustees Walker moved that the rates of \$100.00 for the gym and \$70.00 for auxiliary service per annum be approved. He also recommended that rental rates for church groups be raised next year and received agreement from other Board members. Actual cost of caretaker service will be charged. Ron Harvey stated that he felt that the youth groups (YMCA etc.) should be allowed free use of equipment and gym supplies. Dr. Proudfoot reminded the Board that such a policy would result in increased costs for supplies. However, the motion was carried.

Paul Kane Science Room - Mr. Russell moved that the tenders on the science lab be dealt with as it was getting late. Dick's Plumbing tender of \$249.00 was accepted on a motion by Ron Harvey. The

Why Borrow Your Own Savings?

"When a special need arises don't touch your savings dollars, borrow them." — Some members may think this is rather strange advice from a credit union, but let's examine the advice closer. Most conscientious savers have one or more goals, probably both close-range and long-range objectives. Even with credit union convenience, saving is not an easy job. It takes will power and self-control. But it's a good feeling seeing your savings grow and grow.

and you have a right to be proud of your efforts.

When a need for extra funds arises, don't disturb your savings program. It's easier to leave the savings alone than it is to rebuild a depleted account. Borrow against your savings. With the low cost of a credit union loan, and the dividend you'll receive on your savings, the net cost of a loan will be small. In addition, you'll benefit by not disturbing your life savings insurance protection, and your loan will be covered by loan protection insurance in most all instances.

architect stated that he felt that the retendering of the Science Lab as a separate job had cost the Board money. He stated that the job might be done cheaper next year but under questioning by Ron Harvey he said that costs might not go down and that the Board would have to decide whether it felt that the science lab was important for this year. The Board decided it was. Mr. Russell moved adjournment of the meeting at midnight.

Walk in Space!

The Royal Astronomical Society of Canada Canada may not have sent its own man into space yet, but its contribution to space research has been internationally acclaimed. Alouette and Nimbus are two satellites in which Canadian know-how has played an important role. Canada's role in space is only one of the many features of Star Night produced by the Edmonton Centre of the Royal Astronomical Society. When you attend . . . either on October 1st or 2nd, you'll be able to watch Major White's breath-taking walk in space. You'll ride with Ranger Seven as it dives towards the surface of the moon, taking man's first closeup picture

of another planet; and you'll see models of all the major rockets and satellites in the American and Soviet Space Program. Tickets for Star Night . . . October 1st and 2nd can be purchased at the Allied Arts Box Office, the Planetarium or at the door.

EDMONTON APHASIC ASSOCIATION

The Edmonton Aphasic School, directed by the Association, has now begun its second term with twenty-one pupils enrolled. Volunteers, whose talents make them specially suited to the task, work under the direction of two qualified teachers who have studied the special techniques required for the successful teaching of the brain-injured child.

Edmonton Aphasic Association is dedicated to the education of the child with minimal brain-damage, who may be perceptually or conceptually handicapped, with a language or learning disability and would be pleased to hear from any parents or teachers who may know of a child requiring special help. An Angel - Symbol of Hope - U.C.F. Campaign - Once again the Women's Division of the United Community Fund are organizing a door to door canvass which in St. Albert will take place on Wednesday, October 6th. Mrs. Kitty Blackie, well known for her generosity and ability, is in charge of organizing the St. Albert area. She looks to every lady in St. Albert to take part in this one day blitz, so that no one is missed, no matter how small the donation may be. With the realization that there is only so much to give, and that there seems to be a constant barrage of pleas for assistance, still there are those who

have faith that there is always a possibility that many people can help the few who need help NOW, and that the only way this can be done effectively is through the U.C.F. Save a little - Give what you can. Get behind Mrs. Blackie with canvassing and donating. Call her soon!

Club Notes

St. Albert Craft Guild is holding a display of jewellery and pottery at the Clubhouse on Grenfell Avenue on Wednesday evening, September 29 from 7 - 9 PM. Registration will be taken for beginners in ceramics (Tuesdays) and beginners in copper enameling (Thursdays). We are holding children's ceramics Saturday mornings from 9 to 10:30 A.M. for ages seven to twelve. For more information call Mrs. Morris at 599-7162.

The Burning Bush Circle held their meeting on September 13th at the home of Mrs. Hanna. We were very sorry to hear

that the President, Mrs. W. Fraser will be leaving. The group presented her with a purse and Mrs. Dobbie thanked her for all the work done for the church. A sale of baking will be held at Safeways on October 8th. The next meeting will take place on October 4th at the home of Mrs. N. Hill, 18 Grandville Ave. at 8:15 P.M. New members are welcome. R.C. Parish Chicken Supper on Sunday - Everyone is cordially invited to come with your friends and family to a delicious hot chicken supper. For your convenience two settings will be served, one at 4 P.M. and another at 6 P.M. Children under twelve will be charged 50¢, adults and children over 12, \$1.00. Remember next Sunday, October 3rd in the R.C. Church basement hall.

Northwestern Utilities Cooking School - Tickets are available for the Gas Co. Cooking School which will be held on Wednesday, October 13th in the St. Albert R.C. Parish Hall at 8:30 P.M. They may be obtained from any C.W.L. member or from Mrs. W. Mirlin, 16 Grosvenor Blvd., phone 599-6934. Fifty cents is the charge for each ticket which will also be sold at the door. All proceeds will be towards the Home for Metis Girls which is the C.W.L. Diocesan Centennial Project. We suggest that you reserve your tickets early and avoid disappointment. All dishes prepared at this class by Home Economists will be awarded the lucky ticket holders. All ladies of St. Albert and District are welcome to attend.

U.C.F. - Volunteer Now-For Blitz Night.

Wednesday, October 6th - HELP the Volunteer on your block by Volunteering too so that she will have less calls to make. VOLUNTEER CANVASSERS are a MUST to ensure an "All Out" Campaign. Mrs. Kitty Blackie who is organizing the St. Albert area reports that very few have offered to canvass, therefore she is supplying three numbers which you may call: CALL 599-6318 Mrs. Kitty Blackie (Braeside, Mission); 599-7691 Mrs. Marian Sim (Grandin Park); 599-7496 Mrs. Sheila Willis (Sturgeon Heights). Help put that Angel on Cloud 9.

Correction: 1st St. Albert Cubs assigned to Albert Lacombe School meet each Wednesday at 6:30 P.M.

P.S. My personal thanks to all who send in news to "Cherchez la Femme". Please continue to do so, giving plenty of notice so as to ensure a good coverage of all events.

Florence.

WEDDING: HOLUB - FORREST

Before the altar of the St. Albert Roman Catholic Church on August 28th at 10 A.M. Marie Lynn, daughter of Mr. & Mrs. Henry Holub of St. Albert, was united in the Sacrament of Marriage to Donald John, son of Mr. & Mrs. James Forrest of Edmonton. Baskets of Gladioli, mums and carnations in pink and white decorated the altar. Rev. Father Francis Patsula officiated at the double ring ceremony, assisted by altar boys Marcel and Larry Dubord, all cousins of the bride.

Given in marriage by her father, the bride wore a bouffant floor length gown of Chantilly lace featuring long lily-point sleeves. Six gathered panels of nylon sheer covered the lace skirt sweeping upwards from the hemline and were caught below the waistline by a single open rose of the same material. Accentuating the waistline a mock peplum of lace and nylon sheer was edged with hand clipped lace applique embroidered with pearls and mother of pearl sequins which also softened the pointed neckline and circled the wide hemline. Her three tiered silk illusion veil was held in place by a crown of rhinestones and pearls. Pearl earrings were her only jewellery. She carried a crescent-shaped bouquet of a single pink hand assembled rose surrounded by tiny pink roses and stephanotis.

Mrs. Janet Bengert attended her sister as matron of honor, while Mrs. Vi Berkow and Miss Edith Coulling were bridesmaids. Each wore street-length gowns of deep pink Chantilly lace in the same style as the bridal gown with matching accessories complimented by bouquets of Gladioli and carnation in crescent shape. The flower girl, Miss Cheryl Bengert, wore a similar floor length model in white with pink trim, and carried a bas-

ket arrangement of pink baby sweetheart roses.

The groom wore a tuxedo and was attended by Mr. Fred Griss, Mr. Bob Bengert and Mr. Richard Dubord who wore formal white dinner jackets. The groom's cousin, Mr. Tommy Forest as ring bearer, wore a tuxedo and carried a cushion of satin and lace. Mr. Harry Farmer played traditional music throughout the ceremony and accompanied Mr. Paul Bourret, soloist. Ushering the guests were Mr. Donald Dunton and Mr. Bruce McAlra.

Immediately following a dinner was served to 125 guests at the Club Mocambo. To receive her guests, Mrs. Holub wore an ensemble of blue lace and nylon sheer matching accessories, a white hat and pink roses as a corsage.

The mother of the groom chose a gold embroidered bone satin ensemble, accessor-

ies of the same color, complimented by a gold hat and talisman corsage. Mr. Rocky Forest as master of ceremonies introduced Mr. Leo Dubord who proposed the toast to the bride to which the groom responded, and Father Patsula toasted the bridal couple.

Miss Tara Dubord and Miss Carol McAlra presided over the guest book.

A reception was held at the home of the bride's parents from 2 to 5 P.M. followed by a buffet supper. Out of town guests were from Victoria, Moose Jaw, Bowden, Regina, Airdrie, Calgary, Michigan and Seattle.

For going-away the bride wore a blue silk and wool boucle suit with white fur cuffs, a white hat of feathers and velvet leaves, and blue accessories. She wore a white orchid for a corsage.

Following a honeymoon trip by plane to Vancouver, San Francisco, and Hawaii, the bride and groom will reside at 60 Gordon Crescent, St. Albert.

ST. ALBERT & DISTRICT MEDICAL SOCIETY

The inaugural meeting of the St. Albert and District Medical Society was held at the Sturgeon Health Unit office in St. Albert on Friday evening September 24th, at which time Dr. W. Cuts was elected

chairman, Dr. E. Hill, secretary-treasurer, and Dr. W. Mirlin, programme chairman. Eleven physicians from Redwater, Morinville and St. Albert were present at this meeting.

THE NEW GLENROSE CENTRE

At a ceremony held at noon on September 17, 1965, Dr. J. Donovan Ross, Minister of Health for Alberta, laid the cornerstone for the new Multiple Handicapped Children's Centre of the Glenrose Hospital.

With the opening of this new centre, the project will be moved to the new location, where accommodation will be provided for 100 in-patients and 120 day patients. The day patients will share with 60 multiple handicapped children and 40 emotionally disturbed children in receive-

ing both medical care and education. There will be 27 classrooms, each equipped with its own special teaching aids. Highly qualified teachers will be provided by the Edmonton Public School Board. Provision will be made for closed circuit television for educational purposes and in certain of the treatment areas to assist in a graduate training program. By the time the Centre is completed in 1966, the Glenrose Complex will be equipped to provide services in the entire field of Rehabilitation for residents of Alberta.

From Our Readers

Dear Sir:

Re: Rubbish Pick-up Week

The period from October 4th to October 8th has been set by the Engineers Department for the collection of rubbish normally not included in the garbage pick-up. This would cover material such as garden refuse. The householder should place the rubbish on the boulevard, or in the lane next to the area for garb-

age containers on the day which their garbage pick-up is usually made. It should be pointed out that it could not be expected that the refuse collectors carry rubbish from the backyard to the garbage truck, and only the garbage cans will be carried to the street where there are no back lanes. I would appreciate it if the foregoing message could be inserted in this week's issue of the St. Albert Gazette.

J. Keanish,
House Engineer.

DEAR READERS
Fall collecting time has arrived, bringing to my mind once more that our surplus or outgrown clothing would more than fill someone's need in the war torn Far East. Once more may I appeal to you for donations, this time for the desolate in Korea. I am active now in the "Save the Children Fund", a world-wide organization, my chief aim is to solicit adoption plans for these kiddies, \$65 a year will feed, clothe and educate a child for the year. Less than a year's supply of tobacco. Parcels of clothing sent now will reach these people in time for Christmas. Our concern for the brother man may well help make it a joy for us as well as for the recipient, clothes from zipping let it be a gift of joy and clothing will last 5, or drop of at Gresham. The 36 crates last spring arrived safely this fall. Thank you all, so very much
Luther Mathews.

SQUARE DANCE

New Square Dance Season Begins

The majority of the St. Albert dancers, who are now at the "Club" or intermediate level, progressed from the novice stage last season, under the tutelage of St. Albert caller and businessman, Syd DeGuire, rated as one of the area's foremost callers, will not only keep the experienced dancers swinging, but will again conduct another beginner's class. President of the Saints 'N Sinners is Neil Murray, 42 Grandora Crescent, while Mrs. Joyce Kelly, 57 Grandora Crescent serves again as Secretary-Treasurer. Membership in the club is open to all St. Albert and District residents - one and all are welcome. The square dance club operates on a non-profit basis, and club aims are good fellowship, fun and recreation for all participating. Spectators are welcome, and memberships, or further information are available from any executive member.

St. Albert Hercules Pee Wees in Soccer Finals

This Sunday, 1 P.M. at the Clarke Stadium, the St. Albert Pee Wees will once again meet the Edmonton Victoria Soccer team for the final in the Stanley Matthews Cup Tournament. Last Sunday saw a tie between the two teams (2-2). Til five minutes before the end of the game, the Hercules Pee Wees were leading with 2-1. A tricky box-ball from one of the Victoria players made it a tie just before the end of the game. All parents and soccer fans are invited to cheer our boys this Sunday on the Soccer field at the Clarke Stadium. Since 4 years, the

St. Albert Hercules Pee Wee and Bantam Soccer teams are the leading one in our Province. Serious practice and friendship amongst the players and coaches have added to this standard. If the Stanley Matthews Cup goes to St. Albert, it is planned to have a social evening for all the players and parents to celebrate this victory.

Kneeling from left to right: Ken Ahronson, Michael Kelly, Bruce Hittinger, Wayne Dunn (Captain), Dennis Dalphond. Standing from left to right: George Coward, Daryl Tait, Clayton Hodge, Richard Hauptman, Bryan O'Toole, Chuck Ferguson and David Lockhart.

ing this year. Art has also been appointed Manager of the rink for the curling season.

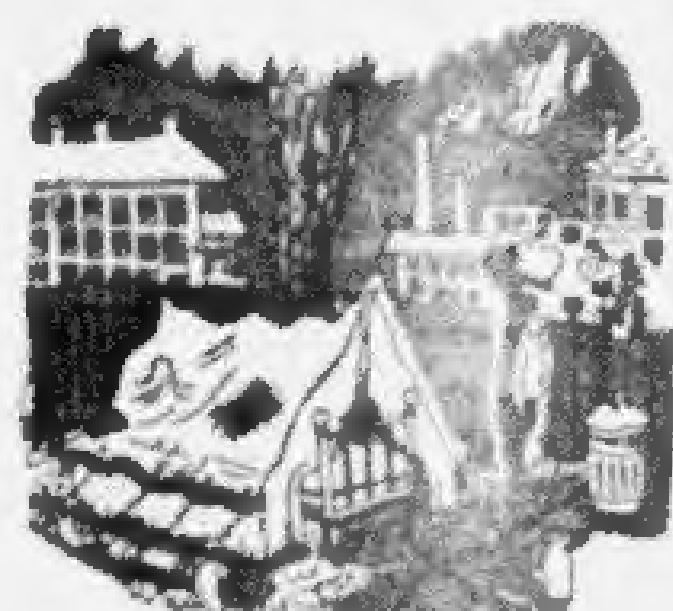

Even at this early date, interest is at an all time high, and the new executive predict a very successful season. Many activities are planned: social events, bonapetes, competitions and promotions. "Hot Gervais" sweaters in club colors will be available as an exclusive to all club members, and the calibre of many of the curlers is such that it is expected much favorable publicity will accrue to our community from their activities at the provincial and national levels.

It is planned to have the rink in full operation by October 24, and anyone wanting further information may call Art & Torrance at 474-7777.

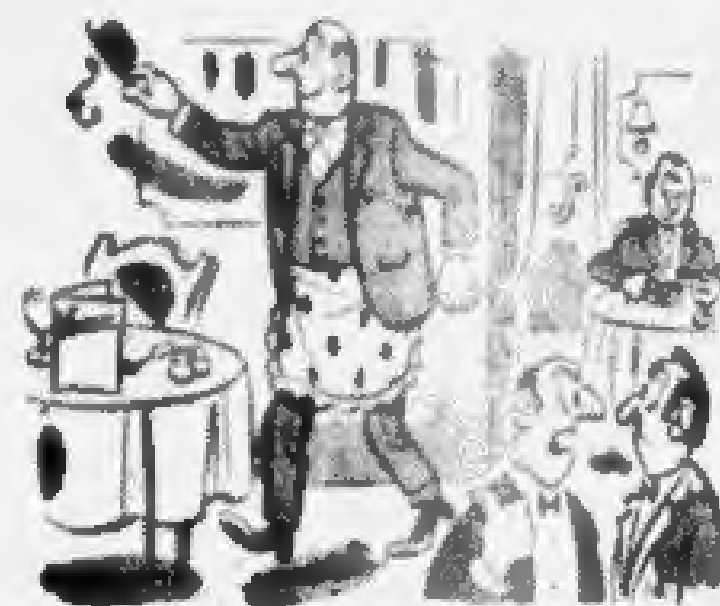

The St. Albert Curling Club recently held its annual meeting at which time a new executive was elected and plans made for the season. Armand Lefebvre was re-elected President of the club, with Bill Pearson Secretary-Treasurer and Carl Gohlhanger as Vice President. Richard Bird, Len Greene, Raymond Thibault, Andre Gaudet, Les Macdonald and Barbara Aron were elected Directors for the coming year. Bill Bird has again taken on the job of Ice Maker, a task at which he excelled last season, as can be attested by everyone who was fortunate enough to curl in St. Albert last year. It is of all's intention to see that this year's season will be further improved. This year, Art & Torrance, who are happily accepted the responsibility for the representa-
